

Membership Salon.

This allows us to serve those who are devoted to us more personally and more exclusively.

In recognition of certain challenges, vision of our future goals, and evaluation of our procedures we have developed a membership strategy to help us serve our clients in a unique way.

The membership is per family and you can have as many dogs on the membership as needed.

The price of the membership DOES NOT include the price of your groom at the time of service. It allows you to be a client in our salon and have access to scheduling and add on services.

You can start and cancel your membership at anytime. Memberships start at \$15.00/month and rise to our most exclusive option at \$75.00/month.

Your base groom price will range from \$25.00-\$150.00(check website for more specific prices) and include:

Bath with conditioner, brush (30 minutes), blow out, ear cleaning, nail clipping (no filing/dremmeling), style trim of your choice.

All memberships will include one 'HOW-TO' seminar per month. (\$75.00 value) Sign up is on-line. Space is limited.

Special add ons like hair dye and express services are additionally charged, however, with each membership you are allowed a certain number of add-ons of any value from the list below.
